## COVID-19 Physical Distancing & Safety Plan Youth Sport Conditioning

### Background:

COVID-19, also known as the novel coronavirus, is a respiratory illness that is spread through the air via respiratory droplets from an infected person or by touching contaminated surfaces.

Youth sport conditioning in Sacramento County is permitted with restrictions. The attached checklist is intended to assist with implementing a plan to prevent the spread of COVID-19.

- Follow all applicable measures of the Sacramento County [Public Health Order](#).
- Develop a plan for employees that report positive COVID-19 results.
- Develop a plan for the possibility of repeated closures due to COVID-19 illnesses.
- Provide a copy of this plan to all staff, volunteers, parents and guardians, and youth participants. A copy of this plan must be posted at each facility entrance.
- Ensure external community organizations that use the facilities also follow this plan.
- Require all parents, guardians, and youth participants to sign a commitment to abide by the plan requirements prior to being allowed to participate or enter the facility. This form will also outline the common symptoms of COVID-19.
